## Get Vaccinated!

COVID19 - VACCINE MANAGEMENT SYSTEM

## About Vaccination

As at 22 May 2022, almost one billion people in lower-income countries remain unvaccinated. Only 57 countries have vaccinated 70% of their population – almost all of them high-income countries.

We must continue to support all countries to reach 70% vaccination coverage as soon as possible, including 100% of those aged over 60; 100% of health workers; and 100% of

Here are the information  
about COVID-19

The screenshot shows the login page of the 'Get Vaccinated! Vaccination System'. The page has a blue header with the system name. Below it is a white form area. On the left side of the form is a cartoon illustration of a family (two adults and two children) wearing face masks, standing in front of a house, with green virus particles floating around them. The right side of the form contains fields for 'username' and 'password', a large blue 'login' button with a cursor pointing at it, and links for 'Forgot Password?' and 'Create Account'. A red dotted arrow points from the 'Forgot Password?' link to a callout box labeled 'Reset Password Function'. Another red dotted arrow points from the 'Create Account' link to a callout box labeled 'Create Account Function'. Callout boxes also point to the 'username' field ('Enter your username and password here') and the 'login' button ('Click on the button to login'). A 'Back to Home Page' link is located at the bottom left of the form area.

# User Interface (1/15)

## - Dashboard

The screenshot shows the dashboard of the "Get Vaccinated! Vaccination System". On the left, a sidebar menu has "Dashboard" selected. The main area displays three cards: "USER DETAILS" (7), "DEPENDENT DETAILS" (7), and "VACCINATION CERTIFICATE" (10). A copyright notice "Copyright © SECV1223 Web Programming | Section 01 Group 6 | 2022" is visible at the bottom of the main area. Three callout boxes with red dashed arrows point to each card:

- Click User Details to view user profile**
- Click Dependent Details to view their information**
- Click Vaccination Certificate to search and view user vaccination certificate**

# User Interface (2/15)

## - Dashboard

The screenshot shows the dashboard of the "Get Vaccinated! Vaccination System". On the left, a sidebar menu lists "Dashboard", "Profile", and "Vaccination". The main area displays three cards: "USER DETAILS" (7), "DEPENDENT DETAILS" (7), and "VACCINATION CERTIFICATE" (10). In the top right corner, there is a user profile for "Wahil Ali" with a notification bell icon. A red dotted arrow points from a callout box to the "Profile" link in the user menu.

**Click Profile to view and edit their user profile**

**Click Change Password to change the password in user account.**

# User Interface (3/15)

## - User Profile

The screenshot shows the User Profile page of the "GET VACCINATED!" application. The left sidebar has links for Dashboard, Profile (which is active), and Vaccination. The main area is titled "User Profile" and displays the following information:

- Registration Date: 2021-05-27 01:31:22
- Name: Wahil Ali
- User Name: user1
- Gender:  
 Male  
 Female
- Email: wahil@gmail.com
- Contact Number: 6012345678
- IC Number: 891029112231
- Address: 30, Jalan Jasin 2, Taman Hospital, 80200, Melaka

A blue "Update" button is located at the bottom of the form.

**View User Profile.**

Edit user information if any changes are needed to make.

Click Update button if there is any information changed and need to be updated.

# User Interface (4/15)

## - Change Password

The screenshot shows the "Change Password" page of the "Get Vaccinated! Vaccination System". The left sidebar has a blue background with icons for a gear, user profile, and vaccination, and the text "GET VACCINATED!". The main content area has a light gray background. It features three input fields: "Current Password", "New Password", and "Confirm Password", each with a placeholder text "Enter required field". Below these fields is a blue "Submit" button. A mouse cursor is hovering over the "Submit" button. Two callout boxes with dark blue borders provide instructions: one pointing to the "Current Password" field with the text "Enter the required field to change password.", and another pointing to the "Submit" button with the text "Click Submit button once the new password is made and confirmed to change password."

Click Personal Details to view and edit user profile.

Click Edit Dependent to view and edit dependent details.

# User Interface (6/15)

## - Personal Details

The screenshot shows the "User Profile" page of the "GET VACCINATED!" application. The left sidebar has links for "Dashboard", "Profile" (which is active), and "Vaccination". The main area displays the following user information:

- Registration Date: 2021-05-27 01:31:22
- Name: Wahil Ali
- User Name: user1
- Gender:  
 Male  
 Female
- Email: wahil@gmail.com
- Contact Number: 1234567890
- IC Number: 891029112231
- Address: 30, Jalan Jasin 2, Taman Hospital, 80200, Melaka

A blue button at the bottom right of the form says "Update". Three callout boxes provide instructions:

- A box around the "View User Profile." link in the top right corner.
- A box around the "Edit user information if any changes are needed to make." text in the middle right.
- A box around the "Click Update button if there is any information changed and need to be updated." text at the bottom right, with a cursor arrow pointing towards the "Update" button.

## - Concern Form

The screenshot shows the user interface of the 'Get Vaccinated!' vaccination system. On the left, a sidebar menu includes 'Dashboard', 'Profile', and 'Vaccination'. The main content area is titled 'Fill up Concern Form' and contains a form with the following fields:

- Concern Form**
- Full Name**: Input field placeholder: "Enter your full name..."
- Email**: Input field placeholder: "eg: abc@htdocs.com"
- Phone Number**: Input field placeholder: "eg: 60123456789"
- Gender**: Radio buttons for "Male" and "Female".
- Identity Card Number**: Input field placeholder: "Please enter your identity number..."
- Any Disease**: Text area placeholder: "State the disease that you're suffering.."
- Are You Pregnant?**: Radio buttons for "YES" and "NO".
- Do You AGREE To Get Vaccinated?**: Radio buttons for "AGREE" and "DISAGREE".

Two callout boxes provide instructions:

- A box around the input fields says: "Fill up the required form for concern form."
- A box around the bottom right corner says: "Click Submit button once finishing filling up the concern form." A cursor arrow points to the blue 'Submit' button at the bottom.

# User Interface (11/15)

## - Add Dependent

The screenshot shows the 'Add Dependent' form. On the left, a sidebar menu includes 'Dashboard', 'Profile', and 'Vaccination'. The main area has a title 'Add Dependent' and a sub-section 'Dependent Information'. It contains fields for 'Full Name' (placeholder 'Enter dependent's full name...'), 'Gender' (radio buttons for 'Male' and 'Female'), 'Phone Number' (placeholder 'eg: 60123456789'), 'Email' (placeholder 'eg: abc@htdocs.com'), 'Identity Card Number' (placeholder 'Please enter dependent's identity number...'), and 'Address' (placeholder 'Current Address'). A large blue 'Submit' button is at the bottom. Two callout boxes provide instructions: one in a pink box says 'Fill up the required field to add dependent by entering their information.' and another in a white box with a blue border says 'Click Submit button once finishing filling up the required information.' A cursor arrow points to the 'Submit' button.

## - Search Vaccination Certificate

The screenshot shows the "Search Certificate" page of the vaccination system. On the left, a sidebar has a "Vaccination" section with an arrow pointing to it. A callout bubble from this section contains the text: "Only users whose status of vaccination is **done** can get their certificate." The main search form has a label "Search By Person Number (e.g: 1,2,3...)" above an input field labeled "Enter person number". To the right of the input field is a blue "Search" button. Two callout boxes provide instructions: one points to the input field with the text "Enter the person number.", and another points to the "Search" button with the text "Click Search button to search the certificate according to the person number." The top right corner of the page shows a user profile for "Wahil Ali" with a notification icon.

Only users whose status of vaccination is **done** can get their certificate.

Enter the person number.

Click Search button to search the certificate according to the person number.

## - View Vaccination Certificate

The screenshot shows the user interface of the "Get Vaccinated! Vaccination System". On the left, a sidebar menu has "Vaccination" selected. A callout box states: "If person 2 is selected, it will display this screen." The main content area shows a vaccination certificate for "E-Certificate# 2". The certificate details are as follows:

E-certificate	
<u>DIGITAL CERTIFICATE FOR COVID-19 VACCINATION</u>	
NAME:	Alvin Tang
AGE:	18
DOSE #2	
Certificate No	2
Vaccination Date	2022-05-31 11:10:28
Vaccine Type	Sinovac
Manufacturer	COMIRNATY Concentrate for Dispersion for Injection
Health Facility	LHDN
Batch	FG3967

A blue oval callout on the right states: "Person 2's vaccination status is **done**, certificate can be viewed."

Copyright © SECV1223 Web Programming | Section 01 Group 6 | 2022

# User Interface (15/15)

## - View Vaccination Certificate

The screenshot shows the mobile application interface for "GET VACCINATED!". The top navigation bar includes a gear icon, the title "GET VACCINATED!", and a user profile for "Wahil Ali". The main content area displays an e-certificate with the heading "E-Certificate# 1". A callout box on the left side states: "If person 1 is selected, it will display this screen." Another callout box on the right side, enclosed in an oval, states: "Person 1's vaccination status is **undone**, certificate cannot be viewed."

If person 1 is selected, it will display this screen.

Person 1's vaccination status is **undone**, certificate cannot be viewed.

## - Update Vaccination Status

The screenshot shows the 'Update Vaccination Status' page of the 'Medical Staff Interface'. The left sidebar has a blue header 'GET VACCINATED!' with a gear icon. It includes links: Dashboard, Medical Center, Vaccination (with sub-links: User Details, Concern Form, Users' Dependents, Vaccination Status, and Update Vaccination Status, the latter highlighted with a red box), and Report. The main content area has a title 'Update Vaccination Status' and a sub-section 'Search Information Results'. A large table displays vaccination data for 10 users. Each row in the table includes columns for Sno., Name, Age, No., Vaccine Type, Health Facility, Number of Dose, and Status. To the right of each 'Status' column is a teal 'Update Status' button. A callout box with a blue border and a red arrow points to one of these buttons with the text 'Click here to update status'. The top right corner of the interface shows a user profile for 'Aiman Hafiz'.

Sno.	Name	Age	No.	Vaccine Type	Health Facility	Number of Dose	Status
1	Abu Aziz bin Hassan	21	1	AstraZeneca	LHDN	2	<button>Update Status</button>
2	Alvin Tang	18	2	Sinovac	LHDN	2	<button>Update Status</button>

## - Update Status

The screenshot shows the 'Update Vaccination Status' page. On the left is a sidebar with a blue header 'GET VACCINATED!' containing icons for Dashboard, Medical Center, Vaccination, and Report. Below the header are two circular buttons: one with a left arrow and another with a right arrow. The main content area has a title 'Update Vaccination Status'. A large button labeled 'update vaccination status' is highlighted with a blue border. Below it is a form with fields: 'Date' (2022-06-30 10:15:25), 'Location' (Super Jaya Hall), and 'Vaccine Status' (undone). At the bottom is a blue 'Update' button with a white cursor pointing to it. A callout box points to the 'Update' button with the text 'Click Update button to update the vaccination status'.

# Admin Interface (1/1)

## - Dashboard

The screenshot shows the Admin Interface Dashboard. On the left is a sidebar with a blue header "GET VACCINATED!" containing icons for Dashboard, Medical Staff, Vaccination, and Report. The main dashboard area has a title "Dashboard" and three summary cards:

- VACCINATED USERS: 10
- TOTAL REGISTERED USERS: 7
- TOTAL REGISTERED MEDICAL STAFFS: 3

Below the cards, a copyright notice reads "Copyright © SECV1223 Web Programming | Section 01 Group 6 | 2022". To the right, there is a user profile section for "ROSHINI A/P THAVAN NAIR" with icons for Profile, Change Password, and Logout. Three callout boxes with red dashed arrows point to specific elements:

- A box around the "VACCINATED USERS" card with the text "Click Vaccinated Users to view vaccinated person information".
- A box around the "TOTAL REGISTERED USERS and Medical Staffs are displayed." text.
- A box around the "Change Password" link in the user profile menu with the text "Click Change Password to change the password".
- A box around the "Profile" link in the user profile menu with the text "Click Profile to view and edit their profile".

# Admin Interface (2/11)

## - Add Medical Staffs

The screenshot shows the Admin Interface for the "Get Vaccinated! Vaccination System". On the left, a sidebar menu has "Medical Staff" expanded, with "Add" highlighted by a red box. The main content area is titled "Add Medical Staff" and contains a form for "Medical Staff Information". The form fields include Name, User Name, Gender (Male/Female), Email, Phone Number, and Address. A large blue callout box on the right side instructs the user to "Enter medical staff information". Another blue callout box at the bottom right says "Once complete, click on Submit to add medical staff".

# Admin Interface (8/11)

## - Vaccination Status

The screenshot shows the 'Vaccination Status Information' page within the 'Admin Interface'. The left sidebar has a blue header 'GET VACCINATED!' with a gear icon. It includes links for 'Dashboard', 'Medical Staff', 'Vaccination' (with 'User Details', 'Vaccination Date', 'Dependent Details', 'Concern Form', and 'Vaccination Status' listed, where 'Vaccination Status' is highlighted with a red box), and 'Report'. A back arrow is at the bottom of the sidebar. The main content area has a title 'Vaccination Status Information' and a sub-section 'Status Information'. It features a table with columns: Sno., Name, Age, No., Vaccine Type, Health Facility, Number of Dose, Date, Location, and Vaccine Status. The table contains 7 rows of data. A large button labeled 'View Vaccination Status' is centered over the table. At the top right, there's a notification bell with a '0' and user info 'ROSHINI A/P THAVAN NAIR'. A search bar is also present.

Sno.	Name	Age	No.	Vaccine Type	Health Facility	Number of Dose	Date	Location	Vaccine Status

## - View Vaccination Certificate

The screenshot shows the 'Generate E-certificate' page of the 'Get Vaccinated!' system. The sidebar on the left includes links for Dashboard, Medical Staff, Vaccination (with 'Vaccination Certificate' highlighted), User Details, Vaccination Date, Dependent Details, Concern Form, Vaccination Status, and Report. The main content area displays a table of vaccinated person information with columns for Sno., Name, Age, Vaccine Type, Health Facility, Number of Dose, Status, and Action (containing 'Generate E-certificate' buttons). A callout box with a red arrow points to the 'Generate E-certificate' button for the third row, which corresponds to Louis Thomas.

Sno.	Name	Age	Vaccine Type	Health Facility	Number of Dose	Status	Action
1	Alvin Tang	18	Sinovac	LHDN	2	done	<button>Generate E-certificate</button>
2	Harry Peter	27	Sinovac	LHDN	1	done	<button>Generate E-certificate</button>

# Admin Interface (11/11)

## - View Report

The screenshot shows the "View Report" section of the vaccination system. On the left, a sidebar menu lists "Dashboard", "Medical Staff", "Vaccination", and "Report". The "Report" item is currently selected. The main content area displays a form for selecting report dates. It includes two date input fields: "From Date" (set to 07/06/2022) and "To Date" (set to 07/07/2022), each with a calendar icon. Below these is a blue "Submit" button with a white cursor arrow pointing to it. To the right of the form, a callout box with a dark blue border contains the text: "Select the date to view the report for vaccinated user". At the bottom of the page, a copyright notice reads: "Copyright © SECV1223 Web Programming | Section 01 Group 6 | 2022".

# Logout (1/2)

- Logout (Apply for all)

The screenshot shows the main dashboard of the vaccination system. On the left is a sidebar with a blue header "GET VACCINATED!" containing three items: "Dashboard", "Profile", and "Vaccination". The main area displays three cards: "USER DETAILS" (7), "DEPENDENT DETAILS" (7), and "VACCINATION CERTIFICATE" (10). The "VACCINATION CERTIFICATE" card is highlighted with a green border. In the top right corner, there is a user profile section for "Wahil Ali" with icons for notifications, profile, change password, and logout. A red dashed arrow points from a callout box to the "Logout" button. The callout box contains the text: "Click Logout to logout from the interface". At the bottom center of the page, there is a copyright notice: "Copyright © SECV1223 Web Programming | Section 01 Group 6 | 2022".

Click Logout to logout from the interface

# Logout (2/2)

- Logout (Apply for all)

The screenshot shows the "GET VACCINATED!" dashboard with a sidebar containing "Dashboard", "Profile", and "Vaccination". The main area displays "USER DETAILS" with a value of "7" and a gear icon. A modal dialog titled "Ready to Leave?" is centered, asking to select "Logout" if ready to end the session. Two buttons are visible: "Cancel" and "Logout". A red dashed arrow points from the text "Click Cancel to cancel logout" to the "Cancel" button. Another red dashed arrow points from the text "Click Logout to confirm to logout from the interface" to the "Logout" button. The footer of the page includes the copyright notice "Copyright © SECV1223 Web Programming | Section 01 Group 6 | 2022".

Click Cancel to cancel logout

Click Logout to confirm to logout from the interface
